

IMA Ethics Series: People and Profitability in a Sustainable World

The goal of this course is to understand the finance and accounting professional's role in ethical decision making that impacts people and profits. While decisions are often made that impact profit, these same decisions also impact people. This course offers 2.0 NASBA CPE upon completion and is available for 1 year after purchase.

Learning Objectives:

Upon completion of this course, you should be able to:

- 1. Identify the impact of organizational decisions on stakeholder groups such as customers, suppliers,
- 2. Evaluate the impact of controls within an organization to ensure ethical standards are met.
- 3. Explain the impact of organizational decisions on a company's reputation and bottom line.
- 4. Apply the IMA Statement of Ethical Professional Practice to ethical dilemmas when it isn't only the
